PETITION FOR WAIVER OR VARIANCE

Pursuant to 561 Iowa Administrative Code (IAC) Chapter 10, Waivers or Variances from Administrative Rules, a petitioner must provide comprehensive justification of a proposed request for a waiver or variance to an administrative rule as adopted by the Department of Natural Resources (DNR).

This form will assist you in providing all pertinent information that is necessary for the DNR to grant a waiver or variance. The form must be submitted to the DNR and must contain an adequate amount of factual and concise information. The obligation rests with the petitioner to provide convincing evidence to justify the granting of a waiver or variance. You may provide additional information or attach additional pages if needed. The DNR reserves the right to require additional information to further support request for a waiver or variance.

Petitions will be comprehensively evaluated by the DNR. The DNR reserves the right to place any condition on the waiver/variance. If information is not inclusive, concise, or does not adhere to the justifications and/or proof the petitioner has submitted, the waiver or variance may be denied. Upon review, the DNR will grant or deny the waiver or variance in writing.

Waivers and variances are temporary unless evidence is shown that a temporary waiver or variance would be impracticable. Once the waiver or variance expires the rule will be enforceable. There is no automatic renewal of waivers or variances. The DNR may renew a waiver or variance at its sole discretion. Please note that the DNR is not allowed to waive or alter a statutory duty or requirement.
