FCS COVID-19 Update

Throughout the past few weeks we have been focusing on keeping our employees and customers safe and keeping our operations up and running. In order to improve our ability to keep our operations open, we are taking additional steps at this time.

- As of Friday, April 3rd at 5:00pm FCS is temporarily closing all of our Location Offices. FCS will still be open for business, but all business activity **MUST** be conducted over the phone or by email. If there is a business critical need to meet with any of our staff or you have a need for product pickup or delivery you must call ahead for an appointment to be preapproved (bagged feed will continue with the current process of calling when you arrive at the location).
- Our Grain, Feed and Agronomy operations will continue to run on our normal or previously communicated modified schedules.
- The How-To Building Center Retail Store will be temporarily closing for customer walk in business as of the end of the day Friday, April 3rd. However, curbside pick-up will be available for orders. The Lumberyard and the Hog Store will be operating for curbside and/or delivery business.

We will keep you updated as policies change in response to the COVID-19 virus. We appreciate your understanding and cooperation during these times.

Thank you for your business,

John McDaniel
